A PROGRAM OF UC COOPERATIVE EXTENSION MARIN

The Road to Successful Business Planning for your Farm

Two workshops covering what you need to know to run a profitable farming business:

Workshop #1 Assessing Your Cropping Opportunities

- Identifying crop opportunities
- Examining your cropping opportunities
- Recordkeeping of production expenses
- Risk management
- Adding value to your products

Workshop #2 Assessing Your Marketing Opportunities

- Identifying marketing channels
- Understanding your marketing costs
- Evaluating your financing needs
- Regulatory considerations

Shermain Hardesty is the Small Farm Program Extension Economist at UC Davis. Dr. Hardesty sits on the boards of the Davis Farmers Market Assn. and the California Sheep Commission. Since 1993, she has been the primary instructor for the UC Extension class, *Getting Started in the Specialty Food Business*.

Penny Leff is the UC Small Farm Program's Agritourism Coordinator. She has extensive small business management experience, served as manager of the Berkeley Farmers Market for 8 years, and has worked with Community Supported Agriculture projects.

Workshop #1 Thursday, Feb. 4, 2010 3:00 p.m. - 6:00 p.m.

Workshop #2 Thursday, Feb. 25, 2010 3:00 p.m. - 6:00 p.m.
